Gleaning America's Fields ~ Feeding America's Hungry

Indiana Gleaning Network • Dawn Barnes, Regional Director
Laura Tagliani, Program Coordinator

SOUTHWEST INDIANA AREA GLEANING COORDINATOR JOB DESCRIPTION

Title: Southwest Indiana Area Gleaning Coordinator

Basic Function: Gleaning is harvesting leftover produce after a farmer has harvested their fields. The Southwest Indiana Area Gleaning Coordinator will assist the Program Coordinator with organizing and leading gleanings in Southwest Indiana, with emphasis on Vigo, Sullivan, and Knox Counties, for Society of St. Andrew.

Specific Duties and Responsibilities:

1. Recruit and organize volunteers to harvest and transport produce from local farms to hunger relief agencies.
2. Identify prospective farmers markets to glean; provide logistical planning and volunteer recruitment.
3. Build relationships with existing farm partners and forge new relationships with potential farm partners.
4. Conduct outreach to community partners and volunteers. Event tabling may be required.
6. Organize and execute gleaning events, including transportation of produce from field to hunger relief agencies, potentially once or twice a week during the harvest season. Supervise gleaning events to ensure the safety of participants and respect for farmer's property. Must have the ability to lift at least 25 pounds.
7. Communicate clear instructions to volunteers, answer questions about the program and provide follow up information. Maintain communication with all parties involved before, during and after gleaning events including follow up communications and reporting.
8. Must have a flexible schedule to be available to work weekdays, and possibly some Saturdays and evenings, for up to 15-20 hours per week.

Qualifications:

Motivated and outgoing individual with excellent organizational skills who enjoys the outdoors and working with people. A self-starter with great initiative and good follow through skills. Experience working remotely is a plus. Familiar with basic computer skills and access to a personal computer and cell phone. Physical labor is required for gleaning. Position requires a valid driver's license and access to reliable personal transportation. Significant local travel will be required. Must be 21 years of age or older to apply.

Expectations and Compensation:

1. Position is part-time from July to November for a total of 320 hours. Hours are based upon needs and timing of crops and harvest.
2. Pay is \$15.00 an hour. Mileage is reimbursed, up to 100 miles per trip.
3. Federal, State taxes and Social Security will be withheld.
4. Area Coordinators report to and work closely with the Program Coordinator.
5. This is a grassroots community building position with a faith-based organization. Must be comfortable with engaging with people of diverse backgrounds and faiths.

Position is currently open. Email résumé and cover letter to hr@endhunger.org
